"The more you **read**
the more **things** you know.
The more that you **learn**
the more **places** you'll go."
-Dr. Seuss

UPDATE: Fanwood Library Improvement Project (FLIP)

FLIP continues to gain momentum as the project architect refines the design. The borough council recently passed a resolution in support of the project and authorized the library board to begin raising funds. The board is currently working to form a library foundation with this short-term fundraising goal and more long-term development goals.

Be sure to voice your support to your legislators for the NJ Library Construction Bond Act (A222/S2171), which would provide matching funds and significantly reduce the financial impact of the library improvement project on Fanwood taxpayers. Check <http://njlibrariesbuildcommunities.org> for more details.

Aging Services Kiosk

Wednesday, May 17th from 10am-12pm

A representative from the Union County Division of Aging will be at the library with information and to answer questions about service for the aging in Union County.
