Building Committee Report

Building Committee

Report to board for meeting on October 16, 2017.

The building committee’s second meeting was held on October 5, 2017.

In attendance were Russ Huegel, Jack Molenaar, Dan Weiss, Katherine Balch, Ann Minski, Carol Campell, Pat Plante

Discussion covered the following topics:

1. Type of committee: This committee is not a library board standing committee but an ad hoc committee comprising members of the council, library board, and Friends, as well as the library director. Others may attend to observe, e.g., the children’s librarian.

2. Meeting frequency: The committee will meet about every two weeks for the next few months.

3. Financing: Council members are investigating innovative ways to fund construction.

4. Approval process: The architect’s final design is approved by committee, committee recommends design to the board, the board recommends the design to the council.

5. Bond act: If the bond act is approved on November 7th, the grant application process will probably not begin until February and will likely extend for 6 months thereafter but will close before the end of 2018.

6. Building priorities: Space priorities need to be established and recorded before next meeting with architect or we need to agree that we don’t have any space priorities.
   a. Design suggestions should come with justifications; objections to design suggestions should be quantified.

7. Financing and fundraising:
   a. The Fanwood Community Foundation has agreed to hold the money donated for the project.
   b. No agreement was reached on whether the committee needs a budget.

8. Marketing and public support: Some council candidates agreed to include support/advocacy for FLIP in campaign literature.

9. Publicity:
   a. Mayor Mahr asked the Friends to send a personal letter to 1800 voters urging them to vote yes for the referendum. A decision awaits Friends approval at their meeting scheduled for October 17.
   b. A suggestion was made to spread advocacy—enlist new voices and faces.

10. Next meeting is scheduled for October 25th at 6.30 at the library.
At a meeting with Mayor Mahr, Dan and Ann, Colleen stated that if the Bond Act passes, the Council would be willing to fund a $5M project, if it doesn’t pass, Council would be willing to fund a $2.5-$3M project.

Katherine reported on her visit to the Bernardsville Library. There were mistakes made from which we can learn.

**Fundraising**
Jane and Dan will meet with Kathleen Smythe on October 26 and 12 noon. Katherine spoke about reorganizing the Library website to make it user-friendly for groups of people in anticipation of future fundraising endeavors.

**Library Journal Public Library Director Summit, Philadelphia  Nov. 2, 3**

**State Aid**

**Square**
(credit card) report (implemented 3/16/17) – September: gross=$179.87; net=$174.91 (fees–$4.96 / 2.75%)

Adult Services Report: September 2017

- **September Programming**
  - On September 26th Jamie Novak presented Fall Back into an Organized Home. The program was a big success with 45 attendees who all enjoyed the program very much.

- **Girls Who Code Club**
  - The library has partnered with the Park Middle School Girls Who Code Club, which is led by patron Joe Llano and includes up to 25 girls in grades 5-8.
  - The club is in its second year and needed more time and space than Park Middle School can offer, so we are hosting in the Fanwood Room and providing laptops and desktop computers for members of the club.

- **Non-fiction Book Group facilitated by Phyllis Brown**
  - Phyllis held her first informational meeting and is strategizing how to get this up and running.

- **Kim Eckstrom Art Show**
  - Local artist Kim Eckstrom recently won the Union County Senior Watercolor award and the borough approached us about displaying some of her work. We worked with Ms. Eckstrom and her husband to display even more paintings than initially anticipated. The work is lovely and patrons enjoy it. Neighbors and friends of Ms. Eckstrom have visited the library to see her show.

- **Fannywood Day, 2017**
  - We had a great Fannywood Day. The library table was visited by folks of all ages. Piggy (from Mo Willems’ beloved stories) was there to greet kids and we gave away a lot of books. We displayed flyers for upcoming programs and put a lot of effort into spreading the word about the Library Construction Bond Referendum.

- **Part-time Staff**
We were sad to see Jill Dodman and Anita Wallden retire after 19 and 20 years, respectively. Nikki Thompson, Annie Mackenzie (back again!) and Rosie Everson all started in September. They’re doing great.

- **Pages**
  - Our high school pages have been a big help. They’ve helped out at programs including our three eclipse events (Astronomer’s Presentation, Build an Eclipse Viewer, and our Eclipse Viewing) and our Teen Button Maker program. They also helped organize books at the Friends Book Sale and now they’re working on a cool library display.

- **Kanopy**
  - We are launching a new movie streaming service called Kanopy. Fanwood card holders will have access to over 30,000 movies including indie films, the Criterion Collection, classics and documentaries.

- Looking forward to Macbeth and Bollywood Dancing!

**Children’s Dept. Report**

**FANWOOD MEMORIAL LIBRARY CHILDREN’S DEPARTMENT**

**REPORT TO THE BOARD OF TRUSTEES**

**October – 2017**

The Library held a Retirement Party for Anita Wallden on Saturday, September 16th. Since Anita worked primarily in the Children's Department, offering storytimes for several ages, we were able to procure costumes for the Mo Willems book characters Elephant & Piggie to help celebrate Anita's contribution to the Library. Teen Volunteers Antoinette Chango & Cara Egan portrayed the characters.

On Fanny Wood Day Julia Rosen was able to present "Piggie." Susan assisted Julia with the cumbersome costume and in taking breaks to stay hydrated & cool. Many thanks to the Ivy Learning Center for welcoming us to use their facilities for changing & breaks on what turned out to be a very warm day.

**FALL PROGRAMS**

We welcomed Rosie Everson to the staff in September. Among her many responsibilities, Rosie has taken on two of the Early Literacy programs: Baby Jumble and Library Jumble for 3-5 year olds. Fall Storytimes got underway the week of
September 25th. On October 5th retired librarians Carolyn Gaeding & Mary Ann Malloy performed their music, story & puppet show: Barnyard Fun for Library Jumble.

Librarian, **Linda Olsen** began Fall **Sensory Storytimes** on Saturday, Sept. 30th. We have chosen Saturdays in hope that more families will be able to participate. This program will continue throughout the year on the First Saturday of the month.

Librarian, **Danielle Hirschhorn** planned and presents **Create Your Own Video Games** (Scratch) on Tuesdays afterschool for those in Grades 4-6. Susan presents a **Toddler Time** for 18-35 mos. on Wednesday mornings. Susan is doing a **Story Jumble** combining stories and more intricate crafts for those in Grades 3-5 on Thursdays in the early evening during the Fall. We are going to try a Friday afterschool as well as a Saturday afternoon Book Bingo as we try to do more programs on weekends to involve families. Susan will be trying a weekend Book of the Month for families to see if there is any interest.

On **Halloween**, the Library will have a Wacky Castle inflatable maze on the front lawn from 4:30 to Parade Start.
